

WORKSHOP RULES

Advisers, please go over these rules with your staff before the workshop begins.

1. Wear your **name badge** at all times. This is a requirement of Yearbookpalooza.
2. Please be **courteous**. Remember, there are other hotel guests staying in the room next to yours.
3. **Guys and girls may not be in each others' rooms** at any time unless your adviser or chaperone is present.
4. **Do not leave the hotel** after dark.
5. All participants of the workshop are to be in their rooms for **room check by curfew each night** and are to **remain there until breakfast**.
6. Let your chaperone or adviser **know where you are at all times**.
7. All students are expected to **attend class**. The only exception is with your chaperone or adviser's permission.
8. Students, please do not embarrass yourself, your family, or school by **smoking or using alcohol or drugs**.
9. The **meet with the artist sessions** are not intended for entire staffs. Only the leaders should be included; **up to 10 is best. It is mandatory that no staff takes more than the allotted time**. If you would like more time, you can try to set it up (if available) with the Yearbookpalooza staff. There will be a \$25 charge for a second session.
10. **Turn your cell phone off during class**. If it goes off, you sing the Teapot song.

→ **The hotel has a zero noise tolerance policy.** ←

Any students who do not follow the Yearbookpalooza rules, or who the hotel brings to our attention, will be sent home via their parents.
